Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to city.clerk@cityofrc.us. You can hand deliver, mail, fax, scan and email, or photograph and email your map.

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the 4 districts must be close to 43,700, with no more than a 4,370 difference between the largest and smallest.

An online version of this map that allows you to zoom in and out for more detail is available as a link from the project website.
